

TULSE HILL AND DULWICH SUMMER LEAGUE RULES

2021

1. The emphasis in our League is on inclusion, enjoyment and fun hockey.
 2. All matches are 40 minutes long, with a 1 minute half time. All matches are 7-a-side with no limit to size of match day squad.
 3. THD captains and club captains are not allowed to captain a team, this is an opportunity for those people to enjoy playing hockey without the admin.
 4. No team may win a match by more than 4 goals. In the event that a team does win by more than 4 goals the score will be adjusted so that the winning team's score is four more than that of the losing team.
 5. If a team chooses to play with 7 outfield players none of the players have any goalkeeping privileges.
 6. Umpires will be provided - remember that if you have anyone wishing to umpire (especially useful if you have umpires wishing to gain experience through friendly matches) then please contact summerhockey@thehockeyclub.co.uk. Umpiring schedule published and shared separately.
 7. No short corners - anything that would be a short corner is taken as a free pass from outside the circle. The ball must move 5 meters before entering the circle.
 8. Long corners are to be taken from near the halfway line, in line with the offence or where the ball went out of play.
 9. The ball may not be hit (but a slap is allowed).
 10. The ball may not be lifted above knee height at any point, including shooting at a goal with a GK.
 11. Pitch 1 is on the left as you enter the pitch and Pitch 2 on the right.
